The sale will be made expressly subject to any title matters set forth in the deed of trust, but prospective bidders are reminded that by law the sale will necessarily be made subject to all prior matters of record affecting the property, if any, to the extent that they remain in force and effect and have not been subordinated to the deed of trust. The sale shall not cover any part of the property that has been released of public record from the lien of the deed of trust. Prospective bidders are strongly urged to examine the applicable property records to determine the nature and extent of such matters, if any.

Pursuant to the deed of trust, the beneficiary has the right to direct the Trustee to sell the property in one or more parcels and/or to sell all or only part of the property.

Pursuant to section 51.009 of the Texas Property Code, the property will be sold in "as is, where is" condition, without any express or implied warranties, except as to the warranties of title (if any) provided for under the deed of trust. Prospective bidders are advised to conduct an independent investigation of the nature and physical condition of the property.

Pursuant to section 51.0075 of the Texas Property Code, the trustee reserves the right to set further reasonable conditions for conducting the sale. Any such further conditions shall be announced before bidding is opened for the first sale of the day held by the trustee or any substitute trustee.
